

# Industrial Series

for commercial properties, factories & Warehouses

# INSECT-O-CUTOR

## The IND35

Designed for commercial, factory and warehouse situations, this unit has shatterproof lamps as standard.

Superior glueboard performance and easy installation, suitable for wall mounting or free-standing. Complete with large capacity glueboards offering long-life adhesion.

Also available with louvred front panel for areas where discretion is required.

Area of coverage	120m <sup>2</sup>
Lamp(s)	2 x 15 Watt Synergetic shatterproof insect attractant lamps (2 x ref: T15GS)
Glueboard(s)	1 x type 6212 long-life
Mounting	Wall mounted, free standing
Power consumption	38 Watt
Dimensions	510w x 150d x 235h mm
Weight	6.5kg
International protection rating	IP30
Finish	White polyester coated zintec steel

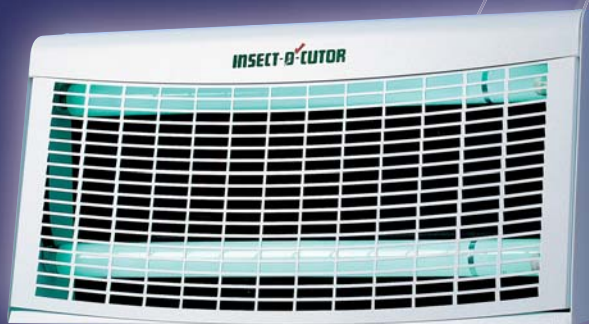

## The IND50

The more powerful Model IND50 is fitted with shatterproof Synergetic 20 Watt lamps and a larger capacity glueboard, giving increased coverage of 180 square metres.

The extra large, longlife glueboard ensures maximum protection even in areas with high insect pressure.

Area of coverage	180m <sup>2</sup>
Lamp(s)	2 x 20 Watt Synergetic shatterproof insect attractant lamps (2 x ref: T20GS)
Glueboard(s)	1 x type 6214 long-life
Mounting	Wall mounted, free standing
Power consumption	52 Watt
Dimensions	630w x 150d x 320h mm
Weight	7.5kg
International protection rating	IP30
Finish	White polyester coated zintec steel

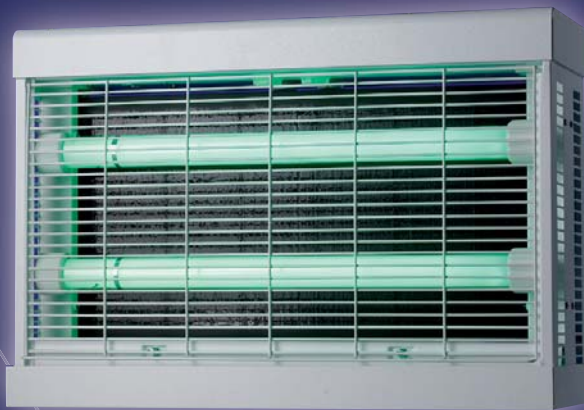

## The IND65

The ultimate in Glueboard power, this unit is built to IP65 dustproof/waterproof specifications and covers a massive area of 400 square metres.

Ceiling only mounting. Available in high grade stainless steel. Large capacity glueboards with long-life adhesion.

Area of coverage	400m <sup>2</sup>
Lamp(s)	4 x 20 Watt Synergetic shatterproof insect attractant lamps (4 x ref: T20GS)
Glueboard(s)	1 pair x type 6139 long-life
Mounting	Ceiling suspended
Power consumption	104 Watt
Dimensions	690w x 205d x 400h mm
Weight	12.0kg
International protection rating	IP65
Finish	White polyester coated zintec steel or food-grade stainless steel
